

Preliminary SCHEDULE

PRE-CON

Monday, March 13

OMT Boot Camp*

3:00 - 7:00 pm

4 Category 1-A CME Credits

OMT Boot Camp is designed for osteopathic family physicians and residents preparing for their Board Performance Exams, along with family physicians who want to update their OMT skills and bring back those techniques to treat their patients.

This course is also designed for allopathic family medicine faculty and residents in dually accredited or ACGME accredited family medicine residency programs.

OMT Boot Camp will help participants improve existing skills, as well as introduce new and innovative osteopathic modalities; include combined didactic and hand-on approach and refine and enhance your OMT skills.

PRE-CON

Tuesday, March 14

OMT Boot Camp*

3:00 - 7:00 pm

4 Category 1-A CME Credits

OMT Boot Camp is designed for osteopathic family physicians and residents preparing for their Board Performance Exams, along with family physicians who want to update their OMT skills and bring back those techniques to treat their patients.

* Separate registration fee is required.
Schedule is subject to change. Visit acofp.org for updates.

PRE-CON

Wednesday, March 15

ACOFP Faculty Development Day: Educating Today's Learners*

7:30 am - 5:00 pm

8 Category 1-A CME Credits

This new program is designed for COM and residency faculty, preceptors, and program directors along the continuum of osteopathic education.

Joint Injection Workshop*

8:00 am - 12:00 pm

4 Category 1-A CME Credits

Participants will learn and enhance skills in joint and bursae injections. Common musculoskeletal complaints, exam, and approaches will be covered to show how this valuable skill is utilized. Billing and coding will also be covered.

STATE MANDATORY COURSES*

8:00 am - 1:00 pm

5 Category 1-A CME Credits

Professional & Medical Errors (2 hours)

Prevention of Medical Ethics (1 hour)

Florida Laws & Rules (1 hour)

Federal & State Laws Related to Prescribing
Controlled Substances (1 hour)

This program meets the mandatory five (5) hours required for the State of Florida Relicensure. Visit foma.org for more information.

For other State Mandatory Hour Requirements, please contact the State Board of your licensure for verification.

Buprenorphine and the Office-Based Treatment for Opioid Use Disorders Training (waiver eligibility/certification training)*

8:00 am - 5:00 pm

8 Category 1-A CME Credits

Presented by PCSS-MAT. Funding for this initiative was made possible (in part) by Providers' Clinical Support System for Medication Assisted Treatment (1U79TI026556) from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

Dermatology Workshop Including an Introduction to Basic Wound Care*

8:00 am - 5:00 pm

8 Category 1-A CME Credits

Participants will be able to perform procedure preparation, review various skin pathologies, and demonstrate techniques for excisions of cysts, lipomas and other skin lesions. Participants will also review cryosurgery techniques, basic suturing and nail surgery.

Basic wound care techniques, surgical safety and possible complications, and the use of proper coding for reimbursement will also be discussed. Space is limited and an additional registration fee applies.

Congress of Delegates Session I

2:00 pm
