RESOLUTION NO. 23

- 1 WHEREAS, the American College of Osteopathic Family Physicians (ACOFP) Board of  
2 Governors drafted and approved the 2020-2024 Strategic Plan in October 2019 and  
3 Congress was first able to approve it in March 2021; and
- 4 WHEREAS, one key objective raised by the Board during strategic planning in June 2019 was to  
5 work on enhancing ACOFP's organizational effectiveness by assessing and streamlining  
6 our governance structure; and  
7
- 8 WHEREAS, the Board's goal is to ensure ACOFP is being governed in a way that is responsive to  
9 today's fast-changing society and profession, ensuring a more representative, effective  
10 and efficient board, which will naturally make ACOFP a more nimble and successful  
11 organization; and  
12
- 13 WHEREAS, the Board of Governors self-assessments in 2020 and 2021 identified Board  
14 composition as the assessment factor rated with the greatest opportunity for  
15 improvement, backed up by qualitative feedback; and  
16
- 17 WHEREAS, to support this goal and given the pandemic, strategic planning and Board feedback,  
18 the Board voted to appoint a Governance Task Force to explore leading practices in  
19 governance of healthcare organizations and charged the Task Force to:  
20 Align ACOFP's board composition and committee structures to increase the effectiveness  
21 and efficiency of governance in order to advance the profession and sustain the  
22 organization. The aspirational organizational objectives include:  
23
  - 24 • Being efficient, effective and inclusive
  - 25 • Advancing organizational performance
  - 26 • Ensuring all appointments are based on objective competencies and multi-faceted  
27 diversity elements that are needed to represent the membership and profession
  - 28 • Creating processes that are perceived as open, fair and consistent
  - 29 • Increasing leadership opportunities; and
- 30 WHEREAS, the ACOFP Board of Governors sought council from the Association Management  
31 Center (AMC) dating back to February 2020 to review ACOFP's current governance,  
32 benchmark ACOFP against association leading practices, and provide governance training  
33 to the Board; and  
34

35 WHEREAS, AMC conducted leadership interviews and sent out a survey in April 2020 to  
36 committee members, ACOFP Future Leaders alum and past presidents asking feedback  
37 to help evaluate factors that impact the effectiveness of the ACOFP’s governance  
38 structure; and

39 WHEREAS, the April 2020 Governance and March 2021 Diversity, Equity and Inclusion (DEI)  
40 surveys illustrate member confusion on ACOFP’s leadership pathways and  
41 opportunities as currently organized; and

42 WHEREAS, the Board of Governors focused their generative discussions at the June 2020 and  
43 2021 strategic planning meetings around ways to further enhance ACOFP’s governance;  
44 and

45 WHEREAS, volunteers are increasingly not willing or unable to commit 10+ years of service on  
46 the Board, but still have interest and valuable insights and perspective to share to  
47 advance the mission and vision of the ACOFP; and

48  
49 WHEREAS, the Vice President, Immediate Past President and Second Past President roles,  
50 comprising half of the Executive Committee, all have the same scope of responsibility in  
51 the ACOFP Bylaws to “perform duties and provide advice and counsel as requested by  
52 the President” and this can continue to be achieved in the same manner by any and all  
53 members of the Executive Council; and

54  
55 WHEREAS, the elimination of the Vice President and second Past President is fiscally  
56 responsible and would allow for more than one Governor-at-large to be appointed to  
57 the Board yearly therefore increasing leadership opportunities and the ability to adapt  
58 more quickly to organizational needs and representation of the diversity of the  
59 membership; now, therefore be it

60  
61 RESOLVED, that the American College of Osteopathic Family Physicians (ACOFPP) change the  
62 Officer composition by eliminating the Vice President and Second Past President  
63 positions to allow for additional Governors-at-large to be appointed yearly; and, be it  
64 further

FINAL ACTION: DISAPPROVED as of March 16, 2022

\_\_\_\_\_ Explanatory Statement:

The reason for this proposed change is further explained in the Resolution of the Proposed amendments to the ACOFP Bylaws regarding Officer Composition and Terms that there will be an ascension to the presidency starting with the election of the Secretary-Treasurer who will then automatically become President-elect, followed by President and then Past President, serving 1-year terms in each role unless otherwise removed by Congress.

Congress will still elect the proposed Secretary-Treasurer, but not the President-Elect given the ascension of roles and will retain the ability to nominate candidates for the Secretary-Treasurer role, Governors-at-large, Resident Governor, Student Governor, Speaker and Vice Speaker from the floor.

The ACOFP Board total composition will consist of 13 total voting members including 4 officers, 7 Governors-at-large, 1 Resident Governor, 1 Student Governor and 2 non-voting members: Speaker and Vice Speaker.
